

INDIVIDUAL STUDY APPROVAL FORM

Requirements for SOC 4970: Fourth-year students with a minimum GPA of 3.2 in Sociology (or overall GPA of 3.2 for non-majors), permission of supervising instructor and Director of Undergraduate Studies.

Undergraduate students must complete this form when applying for the individual study course in the Sociology Department. In addition, students must submit a 1-2 page explanation of course project, plan of study, and justification for desired number of credit hours. Once approved, students should add themselves to the instructor permission list in SIS for the appropriate section of SOC 4970; the supervising instructor will then grant enrollment permission.
